

META FINANCIAL GROUP, INC. CHARTER OF THE BOARD OF DIRECTORS AUDIT COMMITTEE

I. Purpose

The Audit Committee (the "Committee") is appointed by the Board of Directors (the "Board") of Meta Financial Group, Inc. ("the Company") for the primary purpose of assisting the Board in fulfilling its oversight responsibilities related to:

- The integrity of the Company's financial statements and the Company's accounting and financial reporting processes and financial statement audits;
- The registered public accounting firm's (independent auditor) qualifications and independence;
- The performance of the Company's Internal Audit function and independent auditors,
- Company's compliance with legal and regulatory requirements;
- The Credit Review function; and
- The Company's systems of disclosure controls and procedures, internal controls over financial reporting, and compliance with ethical standards adopted by the Company.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to prepare financial statements, plan or conduct audits, or determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the independent auditors.

The Committee has the authority to conduct investigations into any matters within its scope of responsibility and obtain advice and assistance from outside legal, accounting, or other advisors, as necessary, to perform its duties and responsibilities.

In carrying out its duties and responsibilities, the Committee shall also have the authority to meet with and seek any information it requires from employees, officers, directors, or external parties.

The Company will provide appropriate funding, as determined by the Committee, for compensation to the independent auditor, to any advisers that the Committee chooses to engage, and for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee may form and delegate authority to Sub-Committees, comprised of one or more members of the Committee, as necessary or appropriate. Each Sub-Committee shall have the full power and authority of the Committee, subject to any limitations imposed by the Committee.

The Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this Charter.

II. Committee Membership

The Committee will comprise three or more directors as determined by the Board. Each Committee member will meet the applicable standards of independence and the determination of independence will be made by the Board.

All members of the Committee must comply with all financial-literacy requirements of the Nasdaq Stock Exchange. At least one member will qualify as an “audit committee financial expert” as defined by the SEC and determined by the Board.
