PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
To be held January 26, 2004

INTRODUCTION

Our Board of Directors is using this proxy statement to solicit proxies from the holders of First Midwest Financial, Inc. ("First Midwest" or "Company") common stock for use at First Midwest's Annual Meeting of shareholders ("Annual Meeting"). We are mailing this proxy statement and the enclosed form of proxy to our shareholders on or about December 17, 2003.

Certain information provided herein relates to First Federal Savings Bank of the Midwest and Security State Bank, both of which are wholly owned subsidiaries of First Midwest. First Federal Savings Bank of the Midwest and Security State Bank are sometimes referred to in this proxy statement as "First Federal" and "Security State," respectively. First Federal and Security State are collectively referred to in this proxy statement as the "Banks."

INFORMATION ABOUT THE ANNUAL MEETING

Time and Place of the Annual Meeting; Matters to be Considered at the Annual Meeting

Time and Place of the Annual Meeting. Our Annual Meeting will be held as follows:

Date: January 26, 2004
Time: 1:00 p.m., local time
Place: First Federal Savings Bank of the Midwest
Fifth at Erie
Storm Lake, Iowa

Matters to be Considered at the Annual Meeting. At the Annual Meeting, shareholders of First Midwest are being asked to consider and vote upon the election of three directors, each for a three-year term. The shareholders also will transact any other business that may properly come before the Annual Meeting. As of the date of this proxy statement, we are not aware of any other business to be presented for consideration at the Annual Meeting other than the matters described in this proxy statement.

Voting Rights; Vote Required

Voting Rights of Shareholders. December 1, 2003 is the record date for the Annual Meeting. Only shareholders of record of First Midwest common stock as of

-1-

the close of business on that date are entitled to notice of, and to vote at, the Annual Meeting. You are entitled to one vote for each share of First Midwest common stock you own. On December 1, 2003, 2,505,617 shares of First Midwest common stock were outstanding and entitled to vote at the Annual Meeting.

ESOP Shares. We maintain the First Midwest Employee Stock Ownership Plan ("ESOP"), which owns approximately 11.03 percent of the First Midwest common stock outstanding. Employees of First Midwest and the Banks participate in the ESOP. Each ESOP participant is entitled to instruct the trustee of the ESOP how to vote such participant's shares of First Midwest common stock allocated to his or her ESOP account. If an ESOP participant properly executes the voting instruction card distributed by the ESOP trustee, the ESOP trustee will vote such participant's shares in accordance with the participant's instructions. Where properly executed voting instruction cards are returned to the ESOP trustee with no specific instruction as how to vote at the Annual Meeting, the trustee may vote such shares in its discretion. In the event the ESOP participant fails to give timely voting instructions to the trustee with respect to the voting of the common stock that is allocated to the participant's ESOP account, the ESOP trustee may vote such shares in its discretion. The ESOP trustee will vote the shares of First Midwest common stock held in the ESOP but not allocated to any participant's account in the manner directed by the majority of the participants who directed the trustee as to the manner of voting their allocated shares.

Shares held by a Broker. If you are the beneficial owner of shares held by a broker in "street name," your broker, as the record holder of the shares, will vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker will nevertheless be entitled to vote the shares with respect to "discretionary" items, but will not be permitted to vote your shares with respect to "non-discretionary" items. In the case of non-discretionary items, the shares will be treated as "broker non-votes." The election of directors is expected to be considered a "discretionary" item, in which case your broker may vote your shares without instructions from you.

Votes Required for Election of Directors and a Quorum. Directors are elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting by holders of First Midwest common stock. This means that the three director nominees with the most affirmative votes will be elected to fill the three available seats. Shares that are represented by proxy which are marked "vote withheld" for the election of one or more director nominees and broker non-votes will have no effect on the vote for the election of directors, although they will be counted for purposes of determining whether there is a quorum. A quorum is necessary in order for us to conduct the Annual Meeting, and if one-third of all the shares entitled to vote are in attendance at the meeting, either in person or by proxy, then the quorum requirement is met.

If a director nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. As of the date of this Proxy Statement, we are not aware of any reason that a

director nominee would be unable to stand for election.

Your Board of Directors unanimously recommends that you vote "FOR" each of the director nominees set forth in this proxy statement.

Voting of Proxies; Revocability of Proxies; Proxy Solicitation Costs

Voting of Proxies. You may vote in person at the Annual Meeting or by proxy. To ensure your representation at the Annual Meeting, we recommend that you vote now by proxy even if you plan to attend the Annual Meeting. You may change your vote by attending and voting at the Annual Meeting or by submitting another proxy with a later date. See "-Revocability of Proxies" below.

-2-

Voting instructions are included on your proxy card. Shares of First Midwest common stock represented by properly executed proxies will be voted by the individuals named in such proxy in accordance with the shareholder's instructions. Where properly executed proxies are returned to First Midwest with no specific instruction as how to vote at the Annual Meeting, the persons named in the proxy will vote the shares "FOR" the election of each of the director nominees.

The persons named in the proxy will have the discretion to vote on any other business properly presented for consideration at the Annual Meeting in accordance with their best judgment. We are not aware of any other matters to be presented at the Annual Meeting other than those described in the Notice of Annual Meeting of Shareholders accompanying this document.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children -- in which case you would receive three separate proxy cards to vote.

Revocability of Proxies. You may revoke your proxy before it is voted by:

- o submitting a new proxy with a later date,
- o notifying the Corporate Secretary of First Midwest in writing before the Annual Meeting that you have revoked your proxy, or
- o voting in person at the Annual Meeting.

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring an authorization letter from the broker, bank or nominee indicating that you were the beneficial owner of First Midwest common stock on December 1, 2003, the record date for voting at the Annual Meeting, if you wish to vote in person.

Proxy Solicitation Costs. We will pay our own costs of soliciting proxies. In addition to this mailing, First Midwest's directors, officers and employees may also solicit proxies personally, electronically or by telephone. We will also reimburse brokers, banks and other nominees for their expenses in sending these materials to you and obtaining your voting instructions.

STOCK OWNERSHIP

The following table presents information regarding the beneficial ownership of First Midwest common stock as of December 1, 2003, by:

Option Grants in Last Fiscal Year

The following table sets forth information regarding grants of stock options under our stock option and incentive plans made during the fiscal year ended September 30, 2003 to the named executive officers. The amounts shown for each named executive officer as potential realizable values are based on assumed annualized rates of stock price appreciation of five percent and ten percent over the full ten-year term of the options, which would result in stock prices of approximately \$35.45 and \$56.45, respectively, for options with an exercise price of \$21.765. No gain to the optionees is possible without an increase in stock price, which benefits all stockholders proportionately. Actual gains, if any, on option exercise and common stock holdings depend upon the future performance of First Midwest common stock and overall stock market conditions. There can be no assurance that the potential realizable values shown in this table will be achieved.

Name	Individual Grants				Potential Realizable Value at Assumed Annual Rates of Stock Appreciation for Option Terms	
	Number of Securities Underlying Options Granted (#)	% of Total Options Granted to Employees in Fiscal Year	Exercise or Base Price (\$/Sh)	Expiration Date	5% (\$)	10% (\$)
James S. Haahr	7,500	20.4%	\$21.765	9/30/13	\$102,638	\$260,138
J. Tyler Haahr	7,350	20.0	21.765	9/30/13	100,585	254,935
Donald J. Winchell	4,560	12.4	21.765	9/30/13	62,404	158,164

The option exercise price of the options granted to the named executive officers shown above was the fair market value of First Midwest's common stock on the date of grant. These options vested as of the date of grant. The options may not be transferred in any manner other than by will or the laws of descent and distribution and may be exercised during the lifetime of the optionee only by the optionee or his legal representative upon the optionee's death.

Aggregate Option Exercises in Last Fiscal Year and Fiscal Year End Option Values

The following table summarizes for each of the named executive officers certain information relating to stock options exercised by them during the fiscal year ended September 30, 2003. Value realized upon exercise is the difference between the fair market value of the underlying stock on the exercise date and the exercise or base price of the option. The value of an unexercised, in-the-money option at fiscal year-end is the difference between its exercise or base price and the fair market value of the underlying stock on September 30, 2003, which was \$21.765 per share. These values, unlike the amounts set forth in the column "Value Realized," have not been, and may never be, realized. These options have not been, and may not ever be, exercised. Actual gains, if any, on exercise will depend on the value of First Midwest common stock on the date of exercise. There can be no assurance that these values will be realized. Unexercisable options are those which have not yet vested.

Name	Shares Acquired on Exercise (#)	Value Realized (\$)	Number of Unexercised Options at FY-End (#)		Value of Unexercised In-the-Money Options at FY-End	
			Exercisable (#)	Unexercisable (#)	Exercisable (\$)	Unexercisable (\$)
James S. Haahr	--	--	57,532	--	\$347,827	--
J. Tyler Haahr	--	--	71,114	--	364,265	--
Donald J. Winchell	--	--	31,796	--	169,328	--

Employment Agreements

First Federal has an employment agreement with each of the named executive officers. The employment agreements are designed to assist First Midwest and the Banks in maintaining a stable and competent management team. The continued success of First Midwest and the Banks depends, to a significant degree, on the skills and competence of their officers. Each employment agreement provides for annual base salary in an amount not less than the employee's current salary and a term of three years. Each agreement provides for extensions of one year, in addition to the then-remaining term under the agreement, on each anniversary of the effective date of the agreement, subject to a formal performance evaluation performed by disinterested members of the Board of Directors of First Federal. The agreements terminate upon such named executive officer's death, for cause, in certain events specified by Office of Thrift Supervision regulations, or by such named executive officer upon 90 days notice to First Federal. For the year ended September 30, 2003, the disinterested members of First Federal's Board of Directors authorized one year extensions of the named executive officers' employment agreements.

Each employment agreement provides for payment to the named executive officer of the greater of his salary for the remainder of the term of the agreement, or 299% of his base compensation, in the event there is a "change in control" of First Midwest or First Federal where employment terminates involuntarily in connection with such change in control or within 12 months thereafter. This termination payment is subject to reduction by the amount of all other compensation to the named executive officer deemed for purposes of the Internal Revenue Code of 1986, as amended, to be contingent on a "change in control", and may not exceed three times the named executive officer's average annual compensation over the most recent five year period or be non-deductible by First Federal for federal income tax purposes. For the purposes of the employment agreements, a change in control is defined as any event which would require the filing of an application for acquisition of control or notice of change in control pursuant to 12 C.F.R. ss. 574.3 or ss. 574.4, respectively. These events are generally triggered prior to the acquisition or control of 10% of First Midwest's common stock. Each agreement also guarantees participation in an equitable manner in employment benefits applicable to executive personnel.

Based on their current salaries, if employment of Messrs. James S. Haahr, J. Tyler Haahr and Winchell had been terminated as of September 30, 2003, under circumstances entitling them to termination payments as described above, they would have been entitled to receive lump sum cash payments of approximately \$989,000, \$1,067,000 and \$633,000, respectively.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Compensation of the executive officers of First Midwest and the Banks is

currently determined by the Compensation Committee of First Federal and the Stock Option Committee of First Midwest. Directors Cooley, Gaskill, Muilenburg and Partlow, each of whom are non-employee directors, are the current members of the Compensation Committee. Directors Gaskill, Muilenburg and Thune, each of whom are non-employee directors, are the current members of the Stock Option Committee. All decisions by the First Federal Compensation Committee relating to the cash compensation of executive officers are reviewed by the full Board of First Federal, except that Board members who are also executive officers do not participate in deliberations regarding their own compensation. See "Compensation Committee Report" below.

COMPENSATION COMMITTEE REPORT

First Midwest has not paid any cash compensation to its executive officers since its formation. All executive officers of First Midwest also currently hold positions with First Federal and receive cash compensation from First Federal. The function of administering the executive compensation policies of First Federal is currently performed by the Compensation Committee of the Board of Directors of First Federal, consisting of Directors Cooley, Gaskill, Muilenburg and Partlow. All decisions by the First Federal Compensation Committee relating to the cash compensation of First Federal's executive officers are reviewed by the full Board of First Federal, except that Board members who are also executive officers do not participate in deliberations regarding their respective compensation.

Stock option awards granted under First Midwest's stock option and incentive plans are made solely by the First Midwest Stock Option Committee.

Overview and Philosophy

The First Federal Compensation Committee has developed and implemented an executive compensation program that is based on guiding principles designed to align executive compensation with the values and objectives, business strategy, management initiatives, and the business and financial performance of First Midwest and the Banks. In applying these principals, the First Federal Compensation Committee has established a program to:

- o Support a performance-oriented environment that rewards performance not only with respect to our goals, but also our performance as compared to that of industry performance levels;
- o Attract and retain key executives critical to our long-term success;
- o Integrate compensation programs with both First Midwest's and the Banks' annual and long-term strategic planning and measuring processes; and
- o Reward executives for long-term strategic management and the enhancement of shareholder value.

Furthermore, in making compensation decisions, the First Federal Compensation Committee focuses on the individual contributions of our executive officers. The First Federal Compensation Committee uses its discretion to set executive compensation where, in its judgment, external, internal or an individual's circumstances warrant it. The First Federal Compensation Committee also periodically reviews, both internally and through independent consultants, the compensation policies of other similarly situated companies, as set forth in

-14-

various industry publications, to determine whether our compensation decisions are competitive within our industry.

Executive Officer Compensation Program

The executive officer compensation program is comprised of base salary, annual incentive bonuses, long-term incentive compensation in the form of stock options and restricted stock awards, and various benefits, including medical and retirement plans generally available to employees of the Banks.

Base Salary. Base salary levels for executive officers are competitively set relative to other publicly traded banking and thrift companies. In determining base salaries, the First Federal Compensation Committee also takes

into account individual experience and performance and specific issues particular to First Midwest and the Banks.

Annual Incentive Bonuses. A program of annual incentive bonuses has been established for executive officers of First Midwest and the Banks to reward those officers who provide a level of performance warranting recognition in the form of compensation above base salary. Incentive bonuses are awarded based on achievement of individual performance goals and overall performance goals of First Midwest and the Banks, which are established at the beginning of each fiscal year. Awards are determined as a percentage of each executive officer's base salary.

Stock Benefit Plans. The stock option and incentive plans are our long-term incentive plans for directors, officers and employees. The objective of the program is to align executive and shareholder long-term interests by creating a strong and direct link between executive pay and First Midwest's performance, and to enable executives to develop and maintain a significant, long-term stock ownership position in First Midwest common stock. Awards are made at a level calculated to be competitive with other publicly traded banking and thrift companies.

Chief Executive Officer Compensation

Mr. James S. Haahr was appointed to the position of President and Chief Executive Officer of First Federal in 1974 and Chairman in 1990, and has also served in such capacities with First Midwest since its incorporation in 1993. Mr. Haahr's fiscal 2003 base salary was \$250,000 per year, subject to such adjustments in future years as shall be determined by the First Federal Compensation Committee. Mr. Haahr's base salary for the fiscal year ended September 30, 2002 was \$232,000. In reviewing Mr. Haahr's fiscal 2003 base salary, the First Federal Compensation Committee noted the median base salary paid to executive officers in comparable positions was higher than that paid to Mr. Haahr. As such, the First Federal Compensation Committee determined it appropriate to increase Mr. Haahr's base salary for fiscal 2003.

In reviewing the award of incentive-based compensation to Mr. Haahr for fiscal 2003, the Committee noted increases in net income, earnings per share, return on assets, and return on equity compared to the previous year. Deposit balances grew to an all-time high as a result of internal growth from existing and newly opened offices. Lower costing transaction accounts increased significantly during the year. Loan balances also rose to an all-time high, while the ratio of non-performing loans to total loans at fiscal year end continues to be below state and national averages. As such, the First Federal Compensation Committee and the First Midwest Stock Option Committee determined First Midwest's overall performance warranted the payment of a cash bonus and an award of stock options to Mr. Haahr for fiscal 2003.

-15-

The effect of Section 162(m) of the Internal Revenue Code is to eliminate the deductibility of compensation over one million dollars, with certain exclusions, paid to each of certain highly compensated executive officers of publicly held corporations. Section 162(m) applies to all remuneration, both cash and non-cash, that would otherwise be deductible for tax years beginning on or after January 1, 1994, unless expressly excluded. Because the current compensation of each of our named executive officers is below the \$1 million threshold, we have not yet considered our policy regarding this provision.

The foregoing report is furnished by the members of the Compensation Committee of First Federal and Stock Option Committee of the Board of Directors of First Midwest.

The rules and regulations of the SEC require the presentation of a line graph comparing, over a period of five years, the cumulative total shareholder return to a performance indicator of a broad equity market index and either a nationally recognized industry index or a peer group index constructed by us. The following graph compares the performance of First Midwest's common stock with the Media General Savings and Loan Index and the Nasdaq Stock Market Index. The comparison assumes \$100 was invested on September 30, 1998 in our common stock and in each of the foregoing indices and assumes the reinvestment of all dividends. Historical stock price performance is not necessarily indicative of future stock price performance.

CERTAIN TRANSACTIONS

The Banks have followed a policy of granting loans to eligible directors, officers, employees and members of their immediate families for the financing of their personal residences and for consumer purposes. As of September 30, 2003, all loans or extensions of credit to executive officers and directors were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and do not involve more than the normal risk of repayment or present other unfavorable features.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires First Midwest's directors and executive officers, and persons who own more than 10% of a registered class of First Midwest's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of First Midwest common stock and other equity securities of First Midwest generally by the second business day following a transaction. Officers, directors and greater than 10% shareholders are required by SEC regulations to furnish First Midwest with copies of all Section 16(a) forms they file.

To First Midwest's knowledge, based solely on a review of the copies of such reports furnished to First Midwest and written representations that no other reports were required during the fiscal year ended September 30, 2003, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10 percent beneficial owners were complied with, except that during the fiscal year ended September 30, 2003, Mr. Gaskill and Mr. Thune each inadvertently failed to timely report one transaction. Each late transaction report was subsequently filed.
